GOTU KOLA HEALING BALM

This rich, buttery balm blends the healing properties of Gotu Kola and Calendula with Raspberry Seed Oil to help deeply repair dry, devitalized skin from head to toe. Perfect to use under facial moisturizer for a flawless complexion or to enhance elasticity and help prevent stretch marks during pregnancy.

For centuries, Indian women have relied upon the healing properties of Gotu Kola, passing recipes down from generation to generation. This versatile, moisturizing balm captures their secret to beautiful skin.

KEY INGREDIENTS:

**Gotu Kola Leaf Extract**
- Clinical studies show that it may inhibit the inflammatory process and aid in the wound-healing process by stimulating collagen synthesis and increasing tensile strength of newly formed skin.¹
- Recognized as a powerful anti-inflammatory because it increases the level of antioxidants in newly formed tissues.

**Calendula Flower Extract**
- This flower extract possesses powerful anti-inflammatory, antiseptic and astringent properties.
- Tests have demonstrated it can activate increase metabolism of collagen, and aid in the growth of new cells, facilitating tissue regeneration and epithelial tissue development that help with wound healing.²
- A 2001 French study of radiation-induced dermatitis for the treatment of breast cancer compared topical Calendula Officinalis with the topical drug Trolamine and found that those subjects receiving the Calendula Officinalis ointment experienced less erythema and edema as well as less radiation-induced pain.³

**Raspberry Seed Oil**
- Rich in Omega-3 and Omega-6 fatty acids, Raspberry Seed Oil is one of the most effective modern ingredient technologies, helping reinforce a healthy skin barrier for improved skin strength and hydration.
