

NATUROPATHICA®

HYDRATE & PROTECT REGIMEN KIT

Benefit: Hydrate & Protect

This 30-day skin transformation kit improves the health and appearance of the skin by reducing inflammation, correcting moisture loss and enhancing elasticity.

KEY INGREDIENTS:

Plant Stem Cell Booster Serum (0.5 Fl. Oz.):

A potent booster serum that helps rejuvenate the skin's appearance and smooths fine lines and wrinkles. *Echinacea* and *Butterfly Bush* help plump and protect the skin for more radiant, younger-looking skin.

Oat Cleansing Facial Polish (0.8 Fl. Oz.):

Gentle enough for daily use, this 3-in-1 cleanser, scrub and mask leaves skin soft, supple and radiant. Soothing *Oats* and exfoliating *Joboba Beads* sweep away dry skin and impurities.

Beech Tree & Ginseng Daily Moisturizer (0.4 Fl. Oz.):

A nourishing moisturizer that helps visibly reduce the appearance of fine lines and wrinkles with antioxidant-rich *Beech Tree* and *Goji Berry Extracts* and a firming *Ginseng Complex*.

Aloe Replenishing Gel Mask (0.4 Fl. Oz.):

A light, soothing gel mask that calms and helps reduce redness with anti-inflammatory *Aloe Vera* while moisture-binding *Prickly Pear Cactus* and *Hyaluronic Acid* hydrate and plump the skin.

INGREDIENTS (INCI): See individual product pages for list of ingredients.

HOME USE: Use daily as directed.

PROFESSIONAL USE: Recommended for at-home care for clients following the **Moisture Drench Facial**.
